Description

The World's 1st Fully-Automatic Citrus Juicer

Description

The NEW DNA Citrus Juicer features a fully-automatic, patented juicing mechanism that operates with one button press that works completely hands-free. Perfect for juicing all Citrus Fruits including Oranges, Lemons, Lime and Grapefruit. It takes only 12 seconds to juice half a Citrus Fruit and best of all, is that it is super easy to clean by just rinsing the top parts with water.
