Description

Explorer 1000 PRO Portable Power Station

The Jackery Explorer 1000 Pro is a premium quality portable power station combining a lithium-ion battery, Pure Sine Wave 230V, 1000W inverter and a MPPT solar charge controller in one compact unit. With the latest design and technology, the 1000 Pro is ultra quiet and offers fast charging in under 2-hours and true UPS functionality. Designed to give you reliable, easy-to use, portable power wherever you need it from exploring and camping to power outages.

- Lithium battery power: 1002Wh (83.5Ah, 12V) battery capacity.
- Pure-Sine wave inverter: with a 1000W rated power and 2000W surge power from the pure-sine wave AC ports.
- Portable and lightweight: just 11kg and with an easy-carry handle.
- Super fast charging: re-charge to 100% in less than 2 Hours.
- Advanced UPS functionality: uninterruptible power supply allowing you to leave you devices permanently plugged into the Jackery Explorer while bypassing the batteries until they are needed.
- Multiple output ports: charge mainstream electronics and appliances including full-size refrigerator, Nespresso, TV, blender, electric grill, camping fridges, tablets, laptops, cameras and more for your outdoor and home needs.
- 0All-in-one portable power station: includes USB-A and 100W USB-C ports, AC outlet and 12V car output.

- Recharge the power station three ways: AC outlet, DC carport or via optional solar panel or panels.
- Unlimited green power: Charge via solar at up to 800W per hour and power devices simultaneously.
- An easy to read LCD screen displays charge/discharge and battery status.
