Description

Green Star machines are reputedly one of the world's best juice extractors and most efficient food processors. Using Exclusive Heavy Duty Twin Gear technology with a low 110 rpm, superior to those of any competitor, Green Star machines are your best choice. There is no need to look elsewhere. With their ease of use and simple clean up, Green Star Juice Extractors and Food Processors are award-winning machines of unsurpassed quality.

The Tribest GS-2000 Green Star Complete HD Twin Gear Juicer comes with a complete set of juicing and food processing attachments. It includes the fine screen to extract juice with minimal pulp; the coarse screen to extract juice with more pulp mixed in; the homogenizing blank for basic food processing; the hand held strainer for complete control over juice clarity; and the drip tray to prevent messy spills on your kitchen counter. All Green Star models also conveniently include a glass juice pitcher, wooden plunger, plastic plunger, and cleaning brush.

It can also process whole foods, making favorites like almond and date pie crusts, pates from nuts and vegetables, sauces from a vast array of ingredients, baby foods, frozen fruit desserts and more. The choice is yours.
