Description

Our brightest lantern yet. The Lighthouse 400 Lantern and USB Power Hub gives you the brightest lantern light and recharges your phone.

Bright Light Anytime, Anywhere Dimmable and turbo settings for adjustable light, up to 400 lumens. Recharge the internal battery from any USB port or from a Goal Zero Nomad Solar Panel. Use the built-in hand crank to charge up instantly and never be left in the dark.

Recharge Phones, Boost Tablets Internal lithium battery boasts 4,400mAh with a 1.5A USB output, enough power to recharge phones and tablets even off grid.

Hang It, Stand It, Store It Collapsible legs provide a stand for taller light and fold in for convenient storage. Built-in handle for easy carrying and hanging.

Dualite Directional Lighting Utilize 360 degree of bright LED light, or save on power and extend runtimes by illuminating half the lantern.
