### Description

**Features** The Quiet One is trusted by coffee shops around the world for its groundbreaking hush, with 93 variable speeds that softly blend at the decibel level of a nearby conversation.

### Advance® Container

Our Advance container is specifically designed to create the smoothest frozen beverages. Its no-drip spout reduces product waste and clean-up.

### Patented Noise Reduction

The Quiet One has a magnetically secured sound enclosure and other patented technology to drastically reduce blending noise and maintain a comfortable atmosphere.

### Optimized Programs

With 6 optimized programs, 34 available settings, and automatic shut-off, create consistent, high-quality blends while you take the next request.

### 3-HP Motor

The 3 peak output horsepower motor quickly pulverizes ingredients and blends multiple servings of smoothies, frappés, and frozen drinks with ease.
