Description

Features

Maximize your kitchen's possibilities with the largest capacity, countertop blender. Blend up to 24 x 240ML servings at once. The XL reduces prep-time, improves staff efficiency, and expands your menu capabilities.

4.2-HP Motor

The XL 4.2 peak output horsepower motor commands heavy blending to deliver mass quantities of kitchen staples in a fraction of the time.

Responsive Controls

Variable Speed Control and the Pulse feature work together to create precise textures and complete flexibility in the kitchen.

Large 5.6 Litres Container

Minimize prep times with the low-profile 5.6 Litre container, complete with a removable lid plug to easily add ingredients while blending.

2 Litre Container

The 2 Litre container with removable lid plug is ideal for blending smaller batches.
